THANK YOU FOR LOVING ME

Verse:

What love the Father has lavished
on us
That we should be called His sons
and daughters
Precious in His sight
Greater love this world had never
seen
When He hung on that tree
O why would He do such a thing
For dirty sinners like you and me?

Chorus:

O God thank You for loving me
When on the cross You made
history
Lord You died for me
Forever my praise will go to Thee
O God thank You for choosing me
To be Your child and bear Your
name
O Jesus I will never cease to sing
Your praise

Verse 2:

Your love is patient and humble and
kind
It's greater than all my sin
It always protects and trusts and
hopes
And will have no end
It's Your love that lifted me up from
the depths
Set my feet on a solid rock
With a firm place to stand

Lord I always will trust in Your loving
hand

Bridge:

How wide how long
How high how deep
How endless is Your love for me

Thank You for loving me
Thank You for loving me
Thank You for loving me
Thank You for loving me

Verse:

This is what my God has for me
When He woke me up this day
It's not just about the dos and
don'ts, He says
There's a joy deep down inside me
That can only come from Him
It surpasses everything this world
can bring

Chorus:

I want to say joy, joy, joy
I want to say peace, peace, peace
This is what my God has for me
This is what my God has for me
I want to say love, love, love,

I want to say free, free, free
This is what my God has for me
This is what my God has for me
Today, today, today

Verse 2:

This is what my God has for me
When He woke me up this day
He said things don't have to be the
same again
Oh the past is now forgiven
And my future's in His hands
And He rose up from the grave so I
could stand
